are being received at E. O. Hall and Sons store.

Night tennis is booming at the Manoa Club, several evening parties been arranged of late. almost time that another night tourney was arranged at Manoa; these are particularly attractive functions and usualare well attended. The class of tennis at Manon is high, the courts are situated amid delightful surroundings, and evenings are usually cool Where the Films are Catchy.

Though intending competitors for the E. O. Hall tennis competition are slow in sending in their names it is not anticipated that there will be any less interest in the tournament this year than there was last year. It is anticipated that there will be a batch of players from Ewa, as well as the leading local players; though at the time of writing there are only three entries in the book. However, as enries do not close until Tuesday next it 5 o'clock there is yet plenty of ime for tennis players to come forward to join in this tournament, which without doubt is the best of the year. It is open to all comers, irrespective of whether they belong to a local club or not.

Up at Manoa the tennis players are getting in good practice in preparation for the tournaments which w'll no doubt soon be on the cards there. At night there has been quite a lot of play lately, and a night tournament will probably be arranged within the near future, shortly after the Hali tournament concludes, it is expected.
